ABOUT US

our mission statement

Guiding Your NDIS Journey with Independent,

Trusted Support

At Enabled4Life, our mission is to support NDIS participants by providing ethical, professional, and timely plan management services, maintaining the highest standards of integrity and compliance.

Through our knowledgeable and compassionate team, we deliver exceptional customer service, supporting individuals with disabilities and their families to navigate the NDIS with ease and confidence.

Our goal is to ensure access to eligible supports, enabling participants to thrive and live their best lives.

be Guided by Knowledge and Compassion

Our Purpose and Commitment

Enabled4Life is committed to enhancing the health and social wellbeing of Australians by facilitating access and education regarding the National Disability Insurance Scheme.

As one of Australia’s largest independent NDIS Plan Management companies we will make the experience of having an NDIS plan much easier for participants and carers by paying your invoices and managing your budget. To do this, we have available some of the best systems in the country.

> **With senior executives that all have lived experience, we are aware of the importance of early intervention and accessibility, and it is our goal to enable this for all stakeholders nationally.**

Our staff are located all over Australia, and we ensure that we choose people with the same lived experience, passion, and dedication to achieving outcomes as the original founders of the organisation.

With a wealth of experience in accounting, social services, and systems integration Enabled4Life is the perfect team to manage your budget and assist you to access and navigate the NDIS.

The NDIS has been one of the biggest social reforms in modern times and it is our goal to work within this system to create health and wellbeing outcomes on a large scale. As experts in the field, we have consulted with the NDIS in relation to their payment systems and we assisted with the plan management component in the NDIS National Portal User Guide.

It is our mission to use our expertise to reduce the stress on all involved in the NDIS scheme ensuring that our families, parents, and carers are freed up to work on their goals, development, and passions and as our name suggests, MAKE THINGS POSSIBLE.

For information on accessing the NDIS, head to our **Frequently Asked Questions** page

our commitment to community

Why We Support The Fred Hollows Foundation

At Enabled4Life, we are proud to support the Fred Hollows Foundation in its mission to restore sight to those in need. Through our collaboration, we help provide training for healthcare workers, along with screening, surgical, and treatment services to millions of individuals worldwide.

Our continued contributions are driven by a shared commitment to making a meaningful impact on the lives of individuals and communities. By supporting the Foundation, we strive to offer the gift of vision and enhance the quality of life for countless people.
